

WESTERN PARKWAY

Next Steps

Through Community Input, Engineering & Environmental Studies and Consultation with the Resource Agencies, the Project Team anticipates the following:

- ◆ Continue Listening Tour Interviews with Stakeholders in the Project Study Area.
- ◆ Conduct Engineering and Traffic Studies for the Development of Conceptual and Preliminary Alternatives
- ◆ Present Conceptual and Preliminary Alternatives to the Resource Agencies and the Public.

Western Parkway Project
Public Workshop
Monday November 22, 2004
8:00 PM to 7:00 PM

Comments

I/we wish to comment or inquire about the following aspect(s) of this study:
1. What comments do you have on the goal for the Western Parkway Project as described on the display board?

2. Is there a need for...
3. What are the...
4. What comments and/or additional information do you have regarding the map showing planned development in the study area?

5. Other comments or questions

Optional: Please provide your information

Thank You!

We thank you for taking the time to review the display materials for the Western Parkway.

Your insights and suggestions are valuable and greatly appreciated. DeIDOT will carefully consider all of your comments and looks forward to showing you the results of your input at future Public Workshops.
